Subject: Weekly Update

Hi All- This week was more of the same! Juniper continued to put in plant material along Championship Drive. The fence installer completed the installation of the Pepper Tree/Bent Creek section last Saturday, they just have the little caps to put on top of the posts. They will be back on site Monday to begin demo of the Mulberry section. We received a small number of final punch -list items to close out Brightview's work, we will be closing out that phase of the restoration shortly. There is a small amount of sidewalk in CDD1 that needs to be repaired, we are working to get that scheduled. Have a safe and happy weekend!

Regards,

Robert Dieckmann
