Subject: Weekly Update

Hi All- This week we see the planting work progressing in CDD1. Juniper is planting along Championship, and will continue in the coming week. The fence installers are expecting to complete the Pepper Tree/ Bent Creek section this Saturday. They will be attending to other work this coming week, the following week they will be starting on the Mulberry section. Bentley Electric is finishing up a few punch-list items, otherwise the streetlight repairs are completed. Next week I'll try to have some more photos for you. Enjoy the weekend!

Regards,

Robert Dieckmann
